22<sup>nd</sup> February 2017

### Fitzroy Australia Resources CEO to speak at March Industry Briefing

Resource Industry Network invites members of the media to attend the March Industry Briefing, to be held on Friday 3<sup>rd</sup> March at Ocean International.

Guest speaker at the breakfast will be Mr Grant Polwarth, CEO Fitzroy Australia Resources.

Mr Polwarth will speak about Fitzroy Australia Resources' recent acquisition of Vale's 90% interest in the Carborough Downs JV, the former Broadlea operations and certain undeveloped coal tenements at neighbouring Carborough Downs.

The presentation will outline the plans for the operations and where opportunities may be for local contractors and suppliers.

Mr Polwarth is a mining engineer with 15 years practical experience in the Australian coal industry in a range of operational, engineering, management and key leadership roles at operations including Central Colliery, Glennies Creek Colliery and Narrabri. Prior to being appointed CEO of Fitzroy Australia Resources, Grant was Managing Director of Lake Coal (Chain Valley) and Gloucester Resources Limited in New South Wales.
